Dear Mr. Larson:

RE: Reclamation Surety and Reclamation Contract, Larson Limestone Company, Pelican Point Quarry, M/049/011, Utah County, Utah.

Thank you for delivering the reclamation surety bond for the referenced mining operation. As we discussed, a Reclamation Contract (Form MR-RC) will need to be filled out, signed and returned to the Division. I have included a blank Form MR-RC and a guideline sheet for completing the reclamation contract form. We ask that you make a copy of the form and fill it out as a 'draft' and fax us a copy (our fax number is (801) 359-3940). We will then review the draft and make any necessary corrections before the final form is signed. We would then ask that you deliver the final reclamation contract form to the Division Office. At that time, we will also need to have you sign the reclamation surety form. After the 30-Day public comment period expires and the Division Director approves of the amount and form of surety, we will send you a copy of the surety and reclamation contract for your records.

As always, please don't hesitate to call me at (801) 538-5310 if you have any questions.

Sincerely,

Lynn Kunzler
Senior Reclamation Specialist
